SPECIAL NOTICES.

WORKS. As this is the season of the year when worms are most formidable among children, the proprietors of M. LANE'S Vermifuge beg leave to call the attention of parents to its virtues for the expelling of these annoying, and of en fatal enemies of children. It was invented by a physician of great experience in Virginia, who, after having used it for several years in his own practice, and found its success universal, was induced at last to offer it to the public as a cheap, but certain and excellent medicine. It has since become justly popular throughout the United States, as the most efficient Vermifuge ever known, and the demand has been steadily on the increase since its first introduction to the public.

Purchasers will be careful to ask for Dr. M. LANE'S CELEBRATED VERMIFUGE, and take none else. All other Vermifuges in comparison are worthless. Dr. M. LANE'S VERMIFUGE, also his Celebrated Liver Pills, can now be had at all respectable Drug Stores in the United States and Canada.
